Dear Members

Internal Audit Report – Year ended 31st March 2016

I have completed my internal audit for the Woodwalton Drainage Commissioners for the year to 31st March 2016, as detailed in Section 4 of the Commission's Annual Return.

[1] I have tested the key control areas to assess compliance with relevant procedures and controls expected to be in operation during the financial year. In respect of these, I have concluded that in all significant respects the control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of the Commission, subject to any specific matters set out in paragraph 4.

[2] As part of my audit, I have examined documents setting out your standing orders, final regulations and the various other policies and have concluded that they are adequate for the Commission's purpose and can confirm general compliance.

[3] I can also confirm that I examined the bank reconciliation statement at the financial year end, in accordance with Section 4 of the Annual Return, and found this to be accurately stated.

[4] There are no specific issues for the period of the audit that I have to draw to the attention of Commissioners.

I would thank the Clerk for the excellent standard of presentation of records and the clarity of explanations given.

Yours sincerely

Ivan J Cooper
